SOCIAL SERVICES SURGERY

Social Services are offering a free surgery at this GP practice providing advice and information about the services available.

What we can offer:

Advice and information on eligibility for Social services support.

Examples of services include:

- Equipment and adaptations
- Services to support people living at home
- Residential placements
- Services for carers
- Day services

Surgeries will be held on the 3rd Friday of every month between 9:30am until 12:30pm with Michelle Macartney on an appointment basis. The first surgery will be held on Friday 18th November.
